Circular

Sub: Registration for Post Graduate Online Courses on VTU Portal.

Dear Principals,

The purpose of this communication is to inform you about the availability of online courses on the VTU portal- [<https://online.vtu.ac.in>] and to request your assistance in disseminating this information to all PG students under your purview.

Online Courses on VTU Portal: VTU has curated a range of BoS approved online courses covering various disciplines, designed to enhance the skills and knowledge of our postgraduate students. These courses are available on the VTU portal, accessible to students for self-paced learning.

Registration Process: Registration is open, and we encourage all PG students to register for these online courses through the VTU portal. The registration process is user-friendly, and students can choose courses based on their academic interests and career goals. [The detailed procedure to register for the course is attached along with this Circular].

Benefits of Online Courses:

1. **Flexible Learning:** Students can access course materials at their own pace and convenience.
2. **Skill Enhancement:** The courses cover a diverse range of subjects, providing an opportunity for skill development.
3. **Certification:** Upon successful completion of exam, students will receive certificates from VTU, enhancing their academic portfolio.

Action Required: We kindly request you to bring the contents of this circular to the attention of all PG students in your institution. Encourage them to explore the online courses available on the VTU portal and register for those relevant to their academic and professional development.
