HONOURS DEGREE COURSE LIST

Subject: With reference to Honour degree registered students with USN XXX23XXXXX (Regular), USN XXX24XX4XX (Diploma Lateral Entry), USN XXX24XX6XX (B.Sc Lateral Entry)...

- **Eligibility:** The students are eligible to register for B.E/B.Tech. Honours Programmes at their 5th semester level by paying onetime non-refundable Registration fee of Rs.1000/-
- The Students should obtain a CGPA ≥ 7.5 at the end of the fourth semester and should maintain class C in all the courses in the first attempt only
- Students have to complete a Honours degree from 5th semester to 8th semester.
- **Start of Registration:** Honours degree registration begins from the **5th semester**.
- Students who have registered for Honours degree has to enroll to courses, attend quizzes and complete exams of all courses (totaling to 18 credits) in the **VTU online portal** (<https://online.vtu.ac.in/>) itself and courses done in any other Platforms will not be considered to award Honour degree.
- **Selection of course:** Students should enroll the courses in the BoS approved Honours degree list provided in the circular tab.
- Students should enroll in the courses in their respective regular departments. For instance, Students from Computer Science and allied branches are eligible to take up these courses, provided the courses are not already part of their regular curriculum. In cases where a course is repeated, it shall be permitted only if the syllabus offered under the Honours program is at a higher

academic level than that in the regular curriculum. The college-level coordinator or designated faculty member must assist the students in selecting appropriate courses and ensuring compliance with these guidelines.

- Exams for these courses will be conducted by **VTU** and it will be online mode.

Below are the steps for:

- A. Course enrollment
- B. Attending quizzes
- C. Exam registration/application
- D. Exam Slot booking
- E. Attending Online Exams

A. Course Enrollment Procedure:

1. Click on the **course link** provided next to each course in the below mentioned department wise eligible course list.
2. You will be taken to the **Course Overview page** directly, Click on **Enroll the Course**.
3. Now you are enrolled in the Course, Click on **Profile** Picture then Click **My Learning**.
4. All the Courses that you are enrolled to will be in **My Learning**, you can Start accessing the Course content by clicking on **Start** button in front of the Course

B. Procedure to Attend Quiz:

1. **Log in** to your account and navigate to the **Dashboard**.
2. Click on the **My Learning** tab in the **Dashboard**.
3. You will see a list of all the courses you are enrolled in.
4. Click on the **Start** button next to the course name.
5. You will be taken to the **Course Content** page.
6. Complete watching the video lessons for the course.
7. Scroll down to the **Quiz** section located under the video playing section.
8. Click on the **Quiz** section to view the available quizzes.
9. Select the quiz you want to attend and click on the **Start Quiz** button.

10. Read the **terms and conditions** carefully before proceeding.
11. Agree to the **terms and conditions** and click on the **Start Quiz** button again to begin the quiz.
12. Complete the quiz and **submit** your answers.
13. To **view** your quiz score, click on the **Leaderboard**.
14. You will see your **score** and **ranking** compared to other student

NOTE : Each internal assessment consists of 25 questions, with a minimum passing score of 40% (10 out of 25). If a student fails to meet this threshold, a second attempt is allowed. However, in the second attempt, only the passing marks (40%) will be considered, regardless of the actual score.

C. Procedure for Exam Registration/Application:

1. Click on **Exam** on the navigation bar on the **Home page**.
2. To register for Honours degree exams, click on **Exam Registration – Honours**.
3. **Login** into your account by entering login credentials, it will take you directly to the **exam registration form**.
4. At the bottom, there will be a field to select the course. In the dropdown select the course which you would like to appear for the exam.
5. Click on **Save and Continue**. Exam fee will be displayed.
6. Click on **Pay now** and complete the payment.
7. You can check the status of your exam application under **My Application** in the student dashboard

D. Procedure for Exam Slot Booking:

1. **Log in** to your account and navigate to the **Dashboard**.
2. Click on the **My Application** tab in the **Dashboard**.
3. Check that your application status is **paid** for the course you want to book a slot for.
4. Click on the **Book Now** button in front of the course name.
5. You will be taken to the **Slot Booking** page. View all booked slot details displayed on this page, including date, time, and exam status information.
6. Click on the **Book a slot** button to initiate the slot booking process. A slot booking pop-up window will appear, prompting you to select your preferred slot details.
7. Select the **course** from the **dropdown** menu.
8. Choose a **date and time** slot from the available options.
9. Verify that the selected slot details are correct.
10. Click on the **Book now** button to **confirm** your slot booking.
11. View Booked Slot Details in **Slot Booking** page for confirmation.

NOTE : Quiz/assignment completion is mandatory before booking an exam slot.

E. Procedure for Attending Online Proctored Exam:

1. Go to **My Applications** and click **Book Now** next to your exam application.
2. On the **Slot booking page**, click the **Start** button next to your course at the scheduled date and time.
3. Read and agree to the **terms and conditions**.
4. Click **Enter Exam** to begin.
5. Complete the exam, **submit** your answers, and view your score.

System requirement for online exam:

- Laptop or desktop with a working webcam & microphone.
- minimum of 4 GB RAM & dual core or above processor (pentium dual core or i3/i5/i7).
- 10mbps or above internet connection speed.
- latest updated Google Chrome browser.
- Operating system: Windows or Linux or Mac.

Instructions for attending online exam

- Students should take exams in a room with proper lighting and the background should be clear/plain.
- There should be no/minimal background noise.
- Students are not permitted to take exams in public places or while traveling. A quiet, private location is required
- Once the exam is started students should not navigate to other tabs/windows/browsers.
- Students are not permitted to wear earphones, headphones, or any electronic gadgets, including Bluetooth devices, during the exam/session.
- Exams will be automatically terminated if multiple faces/persons are detected.
- Students should not use or talk on mobile phones during examinations.
- Exams will be terminated automatically if the student's face is not clearly visible/if the student walks away from the screen during the examination.
- Closing the browser directly during the examination will result in termination of the exam automatically.

14	Electronics and Communication	Analog Ic Design	12 Weeks	https://online.vtu.ac.in/course-details/Analog-Ic-Design	3
15	Electronics and Communication	CMOS Digital VLSI Design	8 Weeks	https://online.vtu.ac.in/course-details/CMOS-Digital-VLSI-Design	2
16	Electronics and Communication	Computer Vision And Image Processing - Fundamentals And Applications	12 Weeks	https://online.vtu.ac.in/course-details/computer-vision-and-image-processing-fundamentals-and-applications-973141	3
17	Electronics and Communication	Electronics Enclosures Thermal issues	8 Weeks	https://online.vtu.ac.in/course-details/electronics-enclosures-thermal-issues	2
18	Electronics and Communication	Foundations of Wavelets and Multirate Digital Signal Processing	4 Weeks	https://online.vtu.ac.in/course-details/foundations-of-wavelets-and-multirate-digital-signal-processing	1
19	Electronics and Communication	Medical Image Analysis	4 Weeks	https://online.vtu.ac.in/course-details/Medical-Image-Analysis	1
20	Electronics and Communication	Microwave Integrated Circuits	8 Weeks	https://online.vtu.ac.in/course-details/microwave-integrated-circuits	2

21	Electronics and Communication	Optical Wireless Communications for Beyond 5G Networks and IoT	12 Weeks	https://online.vtu.ac.in/course-details/Optical-Wireless-Communications-for-Beyond-5G-Networks-and-IoT	3
22	Electronics and Communication	Physics of Nanoscale Devices	12 Weeks	https://online.vtu.ac.in/course-details/Physics-of-Nanoscale-Devices	3
23	Electronics and Communication	Power Management Integrated Circuits	12 Weeks	https://online.vtu.ac.in/course-details/Power-Management-Integrated-Circuits	3
24	Electronics and Communication	Power System Dynamics, Control and Monitoring	12 Weeks	https://online.vtu.ac.in/course-details/power-system-dynamics-control-and-monitoring	3
25	Electronics and Communication	Recent Advances in Transmission Insulators	4 Weeks	https://online.vtu.ac.in/course-details/recent-advances-in-transmission-insulators-897570	1
26	Electronics and Communication	Semiconductor device modeling and Simulation	12 Weeks	https://online.vtu.ac.in/course-details/Semiconductor-device-modeling-and-Simulation	3
27	Electronics and Communication	Design Of Power Electronic Converters	8 Weeks	https://online.vtu.ac.in/course-details/Design-of-Power-Electronic-Converters	2
